Welcome!

The New Paltz Central School District strives to make the school registration process as easy as possible for busy parents. We understand that it can be quite confusing trying to figure out which of the District's schools your child will attend.

To alleviate some of the confusion and help parents get all the information they need, and to assist in completing all the proper forms, the District operates a Central Registration Office where everything parents need is under one roof.

Parents of elementary, middle and high school children (Grades 1 through 12) should contact the Central Registrar at 845-256-4040 to enroll their children in school. The office is located in the Pupil Personnel Services Office in the District Office Building located at Lenape Elementary School, 1 Eugene L. Brown Drive in New Paltz.

Parents of incoming Kindergarten children who will attend school in September, should contact the Duzine Elementary Main Office at 845-256-4350. The school building is located at 31 Sunset Ridge in New Paltz.

The Central Registrar is available to answer any questions you may have about the school registration process. If you are unable to contact Central Registration during the hours of operation (9 AM to Noon and from 1 PM until 3 PM); kindly leave a message, include your name and telephone number. Please allow 24 hours for Central Registration to return your call.

In order to register your child(ren) you must have proof of the child's birth, proof of immunizations, and an acceptable proof of residency. Guardians or agencies must have a court order assignment and/or Department of Social Services assignment that states he/she has authorization to act on behalf of the State of New York. Listed on the accompanying page is a listing of the required documents.

All new entrants are required to have a physical examination within twelve (12) months prior to entering the District. Proof of this examination must be presented within thirty days (30) of the time the student enters the school.

New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:
All children must be age-appropriately immunized to attend school in NYS. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the [“ACIP-Recommended Child and Adolescent Immunization Schedule.”](#) Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Vaccines	Pre-Kindergarten (Day Care, Head Start, Nursery or Pre-K)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap/Td)²	4 doses	5 doses or 4 doses if the 4th dose was received at 4 years or older or 3 doses if 7 years or older and the series was started at 1 year or older	3 doses	
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap)³	Not applicable		1 dose	
Polio vaccine (IPV/OPV)⁴	3 doses	4 doses or 3 doses if the 3rd dose was received at 4 years or older		
Measles, Mumps and Rubella vaccine (MMR)⁵	1 dose	2 doses		
Hepatitis B vaccine⁶	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years		
Varicella (Chickenpox) vaccine⁷	1 dose	2 doses		
Meningococcal conjugate vaccine (MenACWY)⁸	Not applicable		Grades 7, 8, 9, 10 and 11: 1 dose	2 doses or 1 dose if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib)⁹	1 to 4 doses	Not applicable		
Pneumococcal Conjugate vaccine (PCV)¹⁰	1 to 4 doses	Not applicable		

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019, and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.
 - c. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6 through 9: 10 years; minimum age for grades 10, 11, and 12: 7 years)
 - a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
 - b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2023-2024, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6 through 9; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 10, 11, and 12.
 - c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
 - c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
 - d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward NYS school polio vaccine requirements. Doses of OPV given before April 1, 2016, should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016, must not be counted.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
 - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
 - d. Rubella: At least one dose is required for all grades (prekindergarten through 12).
6. Hepatitis B vaccine
 - a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute “dose 4” for “dose 3” in these calculations).
 - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
 - a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
 - b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.
8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 through 10: 10 years; minimum age for grades 11 and 12: 6 weeks)
 - a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.
 - b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
 - c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.
9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
 - b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.
 - c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
 - d. If dose 1 was received at 15 months or older, only 1 dose is required.
 - e. Hib vaccine is not required for children 5 years or older.
 - f. [For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.](#)

Statement on Legislation Removing Non-Medical Exemption from School Vaccination Requirements

On June 13, 2019, Governor Andrew M. Cuomo signed legislation removing non-medical exemptions from school vaccination requirements for children. The United States is currently experiencing the worst outbreak of measles in more than 25 years, with outbreaks in pockets of New York primarily driving the crisis. As a result of non-medical vaccination exemptions, many communities across New York have unacceptably low rates of vaccination, and those unvaccinated children can often attend school where they may spread the disease to other unvaccinated students, some of whom cannot receive vaccines due to medical conditions. This new law will help protect the public amid this ongoing outbreak.

What did the new law do?

As of June 13, 2019, there is no longer a religious exemption to the requirement that children be vaccinated against measles and other diseases to attend either:

- public, private or parochial school (for students in pre-kindergarten through 12th grade), or
- child day care settings.

For those children who had a religious exemption to vaccination, what are the deadlines for being vaccinated?

Children who are attending child day care or public, private or parochial school, and who had a religious exemption to required immunizations, must now receive the first age appropriate dose in each immunization series by June 28, 2019 to attend or remain in school or child day care. Also, by July 14, 2019 parents and guardians of such children must show that they have made appointments for all required follow-up doses. The deadlines for follow-up doses depend on the vaccine. The New York State Department of Health follows the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices catch-up immunization schedule and expects children to receive required doses consistent with Table 2 at the following link in order to continue to attend school or child day care: <https://www.cdc.gov/vaccines/schedules/downloads/child/0-18yrs-child-combined-schedule.pdf>

What is the deadline for first dose vaccinations if my child is not attending school until September?

Parents and guardians of all children who do not have their required immunizations are encouraged to have them receive the first dose as soon as possible. The deadline for obtaining first dose vaccinations for children attending school in the fall is 14 days from the first day of school. Within 30 days of the first day of school, parents and guardians of such children must show that they have made appointments for all required follow-up doses.

Additional information will be forthcoming.

Parents:

All kids entering **Grades 7-12** must have the **meningococcal vaccine**.

Without it, they can't start school.

About the Vaccine:

- It's not a new vaccine. It's been recommended for a decade.
- Most parents already choose to vaccinate their children.
- The meningococcal vaccine has been **required** for school entry since Sept. 1, 2016.

About Meningococcal Disease:

- It causes **bacterial meningitis** and other serious diseases.
- Teens and young adults are at greater risk.
- It comes on quickly and without warning.
- Its symptoms are similar to the flu.
- Every case of this disease can result in death or long-term disability.

Check with your doctor. Even kids who have had a shot before may need a booster to start school.

Dental Health Certificate and Health Appraisal Certificate

Education Law (Section 903) and regulations of the Commissioner of Education (Section 136.3) have been amended in regard to dental health certificates. Effective September 1, 2008, all public schools must request a dental health certificate from each student at the same times that health certificates are required. The provision of a dental health certificate for a student is not a required condition to attend school.

New students must submit a dental health certificate along with a health appraisal certificate to their School Nurse, within 30 days of entrance into the school district. Students going into grades Pre-K, K, 1, 3, 5, 7, 9 and 11, who are not new to the district must submit a dental health certificate along with a health appraisal certificate within 30 days of entrance into their new grade.

Each dental health certificate must be signed by a licensed dentist and:

- Describe the dental health condition of the student when the examination was conducted.
- Be made no more than 12 months prior to the beginning of the school year in which the examination is requested.
- State whether the student is in fit condition of dental health for attendance at public school.

Health appraisals must be preformed by a NYS licensed physician, physician's assistant or nurse practitioner.

Dental health certificates and Health appraisal forms are enclosed in this packet. They can also be found on the district web-site www.newpaltz.k12.ny.us under "Our Departments"- "Nursing".

Dental Health Certificate

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, Pre-K, K, 1, 3, 5, 7, 9 & 11. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

Section 1. To be completed by Parent or Guardian (Please Print)

Have you noticed any problem in the mouth that interferes with your child's ability to chew, speak or focus on school activities? Yes No

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Parent's Signature _____ Date _____

Section 2. To be completed by the Dentist

I. The Dental Health condition of _____ on _____ (date of exam) The date of the exam needs to be within 12 months of the start of the school year in which it is requested. Check one:

- Yes, The student listed above is in fit condition of dental health to permit his/her attendance at the public schools.
- No, The student listed above is not in fit condition of dental health to permit his/her attendance at the public schools.

NOTE: Not in fit condition of dental health means that a condition exists that interferes with a student's ability to chew, speak or focus on school activities including pain, swelling or infection related to clinical evidence of open cavities. The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.

STUDENT MEDICATION PROCEDURES

When your child's physician feels that it is necessary for medication to be taken during the school day, there are certain procedures as mandated by the New York State Education Department which must be followed. School nurses **can not** administer any medication, including over the counter medicines, to students without a written order from a physician. This order must be signed by both the physician and you as the parent/guardian. Our procedures are as follows:

- **EACH SCHOOL YEAR-** At the beginning of each school year, a NEW, completed New Paltz Central School District Authorization for Medication Form must be presented to your child's school nurse. This form must be signed by both the physician and you as the parent/guardian.

- **MEDICATION-**
 - Must be delivered directly to the school nurse by the Parent or Guardian. You will be provided with a receipt for the medication. **NO** medication will be accepted from students.
 - Medication **MUST** be in the original labeled container as prepared by the pharmacist. Over the counter medications must be in the original packaging.
 - At the end of the school year medications must be picked up on the last day of school. Nurses by law are not permitted to keep medications over the summer. Medication can also not be returned to students.

- **STUDENTS AND SELF CARRY MEDICATIONS-** Certain medications may require a student to carry and administer their own medication. This is generally for medications requiring immediate administration such as inhalers or medication for allergic reactions. If it is necessary for your child to carry the medication, the child's physician **must** indicate that your child has been instructed in and understands the proper use of their medication on the New Paltz Central School District Authorization for Medication Form.

- **MEDICAL INFORMATION AND ACADEMICS-** Your child's health plays a part in their academic performance, including behavior and ability to concentrate. In order to help keep your child focused on their academics the nurses are asking permission to share relevant medical information with your child's teachers. Code of Conduct Summary 2023-2024

The Mission Statement for our school district states that:

“The New Paltz Central School District exists for the children of the community. The focus of its programs and activities is the commitment to measured excellence and continuous growth and development for all.”

To achieve that mission, the Board strives to provide welcoming, safe, and orderly schools for all students regardless of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. The Board expects that all members of the school community will behave with personal responsibility, give mutual respect, and accept accountability for their actions.

The Board recognizes that to maintain such an environment, we must all live within certain boundaries and that inappropriate action by one person can infringe upon the rights of another. When conflicts arise, we are committed to nonviolent resolutions that encourage personal growth, responsibility and that treat each individual with respect and dignity.

This Code of Conduct describes the behavior that the Board expects from all members of the school community, identifies interventions if those standards are not met, and establishes procedures to ensure that discipline, when necessary, is prompt, fair and effective. New Paltz Central School District promotes a preventive, positive approach to discipline rather than focusing exclusively on “punishment.” We respond to misbehavior with interventions and consequences aimed at teaching alternative expected positive behaviors, understanding, and addressing the root causes of the behavior, resolving conflicts, meeting students’ needs, keeping students safe and keeping students in school.

The Board supports a restorative approach that emphasizes relationships and community coexisting with rules and regulations. Restorative discipline helps students understand the impact of their behavior both on themselves and others. Students also learn social and emotional skills to help them respond differently in the future. Using restorative discipline, we resolve conflicts, encourage our school community members to take responsibility for their behavior, repair any harm done, restore relationships, and reintegrate students into the school community.

We are committed to applying school discipline policies and practices in a fair and equitable manner so as not to disproportionately impact students of color, students with disabilities, LGBTQIA students, students with limited English proficiency, or other at-risk students that have been historically marginalized in schools.

The full Code of Conduct can be found at www.newpaltz.k12.ny.us.

Section I of the Code of Conduct is an introduction to what information one will find in the Code of Conduct. It lists the purpose of the code as well as the beliefs about the children, learning, and discipline that the Code of Conduct committee followed to create the plan.

Section II of the Code of Conduct lists the rights and responsibilities of members of the constituent groups associated with the school, including students, parents/guardians, school personnel, and the Board of Education members. The code makes it clear that expectations exist for everyone and that everyone has rights to which they are entitled.

Section III of the Code of Conduct deals specifically with New York State's Dignity for All Students Act (DASA). DASA seeks to provide the State's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function. The Board of Education recognizes that a learning environment that is safe and supportive can increase student attendance, enhance student social emotional well-being, and improve academic achievement. A student's ability to learn and achieve high academic standards, and a school's ability to educate students, is compromised by incidents of discrimination or harassment, including but not limited to bullying, taunting, hazing and intimidation. You can read this section of the Code of Conduct to learn more about what can be done if you or another individual experience an inappropriate treatment like one of those described above.

Section IV deals with behavior concerns, violations, interventions, and accountability. This section of the Code of Conduct helps determine how to best address behaviors that take away from a safe and welcoming school. In particular, this section of the Code of Conduct lists different types of inappropriate behaviors and specific responses and interventions that would be appropriate when these behaviors occur. These lists of behaviors and responses/interventions are sorted by grade levels as the appropriateness of certain behaviors and responses are different for younger students and older students. Appropriate responses for students with disabilities who commit inappropriate behaviors are also discussed in this section.

Also included in **Section IV** is the school Dress Code. Specifically, the Dress Code says:

1. Certain body parts must be covered at all times. Clothes must be worn so that genitals, buttocks, and nipples are fully covered with opaque fabric. There is no requirement for cleavage coverage. All items listed in the "must wear" and "may wear" categories must meet these basic principles.
2. All attire must support a safe learning environment for all.

Classes that include attire as part of the curriculum, may include assignment-specific attire, but should not focus on covering bodies in a specific way or promoting culturally-specific attire.

Must wear attire that is consistent with the Basic Principles as specified previously in this document:

- Shirt (with fabric in the front, back and the sides under the arms), AND
- Pants/jeans/skirt or the equivalent (for example, sweatpants, leggings, shorts, or dresses)
AND
- Shoes, including, but not limited to, boots, slides, flip flops, heels.

May wear attire that is consistent with the Basic Principles as specified previously in this document:

- Hats as long as the entire face is visible
- Cultural or religious headwear or cultural or religious attire
- Hoodie sweatshirts, as long as face is visible to school staff
- Fitted pants, including leggings, yoga pants and skinny jeans
- Pajamas, consistent with Basic Principles and Goals, set forth above
- Ripped jeans as long as underwear and buttocks are not exposed
- Tank tops, including spaghetti straps and tube tops
- Athletic attire
- Visible waistbands on undergarments or visible straps on undergarments worn under clothing.

The following, although not an exhaustive listing, are deemed to be inappropriate, either because they interfere with the health and safety of our students or staff, or are disruptive to the educational process.

- Violent language or images on clothing
- Images or language depicting drugs or alcohol on clothing
- Hate speech, profanity or pornography on clothing
- Images or language that creates a hostile or intimidating environment based on any protected class or historically marginalized group on clothing. Swimsuits, except as required in class or athletic practice/performance
- Accessories that could be dangerous or can be used as a weapon
- Any item that obscures the face or ears, except as a religious observance

Section IV includes information about the school's cell phone policy and student use of chromebooks. Cell phones are not allowed to be used in Duzine, Lenape, or the Middle School. In the High School, the following statements about cell phone use are given:

Classroom teachers and study hall teachers have the right to create and enforce cell phone policies in their classrooms. Cell phone limitations in the classroom may range from a complete ban on cell phones to allowing the use of cell phones for educational purposes. Cell phones should not be used for entertainment purposes in classes or in study halls. Students may not use cell phones in the hallways or in the lavatories while class is in session. Special permission to use the phone outside of the room during class may be granted by the teacher, in case of emergency.

Teachers must clearly explain their classroom cell phone policies and include them on their course syllabi so that students and parents fully understand them. Students are required to follow all classroom cell phone policies. Teachers and study hall monitors have the right to confiscate cell phones that are being used in violation of classroom rules.

Students may use cell phones between periods, during lunch, before and after school, and on school transportation. However, all cell phone use must follow the guidelines set forth earlier in this Code of Conduct, including not speaking loudly, listening to loud music, or

being disruptive, and not video or audio recording people or taking their pictures without permission. If listening to music with headphones or earbuds, one of the individual's ears must remain unblocked at all times so that they can hear people talking to them and so that they can hear safety announcements.

Section V includes information about possible interventions as a result of inappropriate behavior including detention, suspension from transportation, suspension from sports or other extracurricular activities, in-school suspension, removal from a particular class, out of school suspension, long-term suspension, counseling, and PINS Diversion.

Section VI gives information about public conduct on school property. The District is committed to providing an orderly, respectful and safe environment that is conducive to learning. All persons on school property or attending a school function, whether on or off of school property, are expected to conduct themselves in a respectful and orderly manner. These expectations are clearly listed in this section.

Section VII of the Code of Conduct discusses three particular school policies. The first is policy 7110-Comprehensive Student Attendance. Among other things, this policy explains why it is extremely important for students to come to school every day and to be on time for school. This policy defines chronically absent students as students who miss more than 20 days in a school year. Excused and unexcused absences will both count toward the 20 absence limit (or 10 for a half year course). The District will send home periodic letters to the parents/legal guardians of chronically absent students notifying them of the days of absence. Students and their parents/legal guardians who are nearing the 20 or 10 absent limits will be invited to an attendance conference where all extenuating circumstances, including doctor's notes will be considered. Policy 7110 is included, in its entirety, at the end of the Code of Conduct.

Section VII also gives information about student searches and interviews. This policy explains who can perform a search of student property and why a search would be appropriate. Information about the role of law enforcement in searches and interviews is described. This section also comments on the district's expectations of school visitors.

The final portion of **Section VII** of the Code of Conduct explains the requirements for periodic updates of the Code of Conduct and the rights of the members of all constituent groups to review and comment upon the code before it is officially approved by the school board.

Section VIII of the Code of Conduct lists the glossary of important terms used in the document.

Dear Students and Parents/Guardians:

New York State enacted Project SAVE (Safe Schools against Violence in Education Act) in 2000, to improve school safety and promote an environment of learning in our schools. To accomplish this end, all school districts must have a Code of Conduct. The purpose of our District Code of Conduct is to set expectations for behavior and to maintain order in our school community. These expectations are based on principles of good citizenship, mutual respect, tolerance and integrity.

The New Paltz District Code was developed by a District Wide Health Advisory Committee, including students, parents, community members, teachers and administrators. We have included feedback from public forums and surveys from students, parents and teachers, administrators and the Board of Education.

We encourage ongoing feedback from all areas of our school community and hope that you will use the tear off sheet below to include your comments and suggestions. Please include your name and telephone number for further contact, if needed, and return to:

Military Institutions and Institutions of Higher Learning Exclusion
(for high school students and their parents only)

Dear Parent/Guardian:

In the past, it has been the policy of the New Paltz Central School District to limit access to military recruiters about school and student information. However, pursuant to the No Child Left Behind Act, the New Paltz Central School District must disclose to military recruiters and institutions of higher learning, upon request, the names, addresses, and telephone numbers of high school students. The District must also notify parents/guardians of their right and the right of their child to request that the District not release such information without prior written parental consent.

Therefore, if you are a parent/guardian of a high school student, or if you are a high school student, and wish to exercise your option to withhold your consent to the release of the above information to military recruiters and/or institutions of higher learning, please complete, sign, and date the form below.

Sincerely,

Dr. Samuelle Simms
